Product Landing Page Template

**“It is not the answer
that enlightens, but
the question.”**

– Eugene Ionesco

About This Guide

Here's what we'll cover:

1. Product landing page template
2. 30 product landing page examples

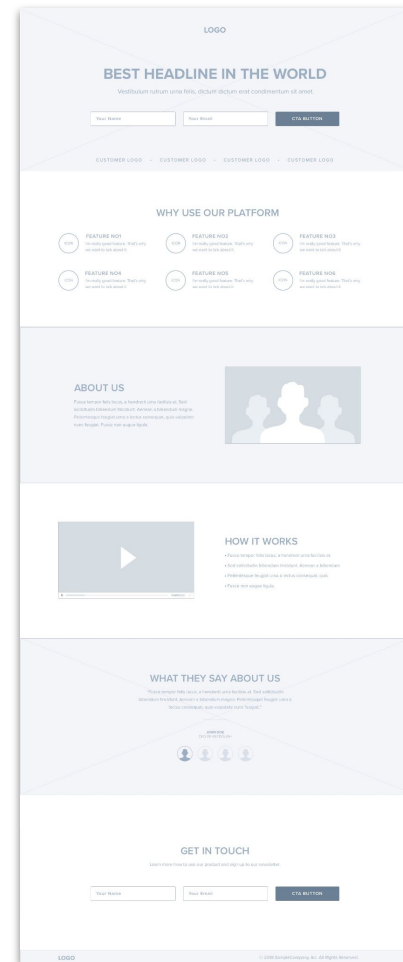

Product landing page template

Product landing page template

The more traditional product page template is the one you'll encounter most often online.

Typically, it includes parallel sections for the main value proposition, benefits, features, testimonials and more information about customers, the product and the company.

However, in the following slides, we'll look at variations on this traditional product landing page implementations.
